Vikings at a Glance

Students get their fair share of fun but also their share of hard work.

In 1936, the foundation was laid for the new high school in Marion County here on 14th Street. Salem High School, as it was known, was originally built in 1905 in an area now more commonly known as "downtown". After the devastation of a fire, the location was moved here to a place we all call home. The home of the Vikings!

65 years later we walk through the halls of diversity in a place where we all have a common bond. We are connected by the memories of our high school years.

As you look back on these years, remember the good times. The trips to the beach, the after game dances with your sweetie, spirit days, and good times on the weekend.

Looking back on this last year we have seen many changes in the world at large. From the tragedy of September 11 to the amazing outpouring of love and acceptance that followed, we have looked past our differences to join together as both a nation and a school.

Through it all, these memories are among the many you and your fellow Vikings have helped to create. Memories to last a lifetime.

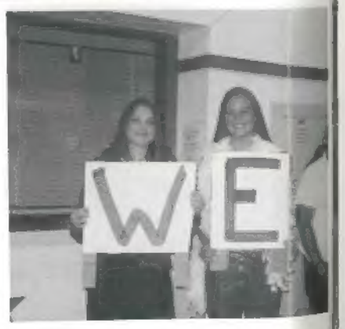
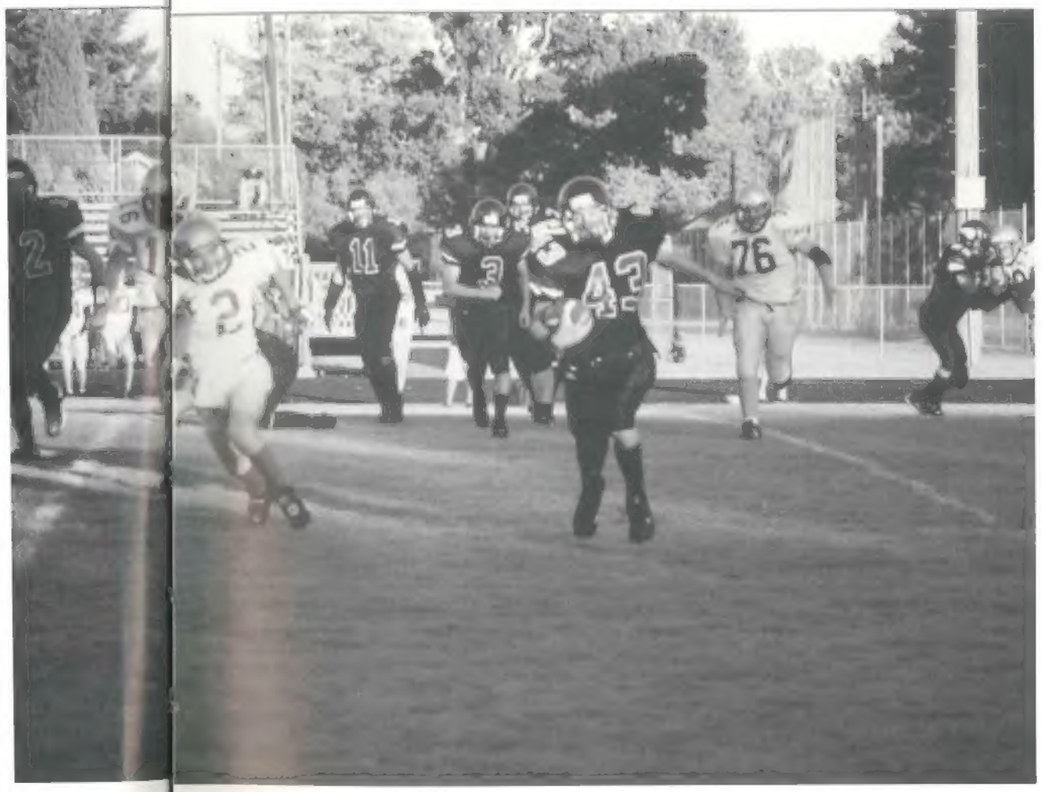
Fun and usual activities going on at North



North students support our nation by displaying their patriotic signs.

Growing together is the goal. It is wise to not only respect your peers, but have fun times with them.



Matt White throws all of his effort into the game as he carries a Viking victory.

Whether its fun or serious, we've experienced some really fun moments.

THE SUMMER IS THE TIME WHEN, WE BUILD MEMORIES AND MAKE NEW FRIENDS, WE WILL ALWAYS REMEMBER THIS

A VIKING SUMMER

FROM TANS, TO THE MALL, PEOPLE WERE ALL OVER THIS SUMMER. ASHLEY TRELESKI SPENT HER SUMMER CHEERLEADING, BUT ALONG WITH THAT STATED, "MY SUMMER WAS FUN ALTHOUGH, IT WAS EXHAUSTING BECAUSE OF CHEERLEADING AND JUST GOING CAMPING ALL OF THE TIME!" NEW EXPERIENCES AND MEMORIES WERE MADE THAT WILL LAST FOREVER. SENIOR NICK SEIFER SAYS, "I KICKED IT WITH THE CREW, AND SOME GIDGETS." HE WILL NEVER FORGET THOSE MEMORIES! MAYBE YOU WERE ON A VACATION IN THE BAHAMAS, HAD A LOUSY JOB OR, STUCK AT HOME ALL SUMMER...THOSE WERE SOME OF THE MAIN ACTIVITIES FOR FELLOW VIKINGS THIS SUMMER... LIKE SAMANTHA CHAPA WHO SAID, " I WAS AT JOB CORE ALL OF THIS SUMMER." ERIC HOLLIDAY SAID, "I TRAVELED A LOT FOR BASKETBALL." BUT NO MATTER WHAT YOU DID OR WHERE YOU SPENT YOUR SUMMER, THE SUMMER OF 2001 WAS UNFORGETTABLE, AND THE MEMORIES WILL LAST VIKINGS A LIFETIME.

What's Hot at North

Whether it's North pride or slippers, trends this year are comfy and fun

Trends are a common way of expressing the things we like. Obviously every group has their trends. Though North Salem High, being such a diverse school, you can find any one trend in several different groups. You can find the same trends in with let's say the preppy crowd as you can in a few others. This is a nice advantage because it avoids segregation. Many people are attracted to the people who like the same things as themselves, making it easier to create friendships.

Things you might call trends include clothes, jewelry, shoes, shopping places, hangouts, etc....

Shoes: when haven't they been a popular trend? Shoes popular with girls this year consist of skater shoes, Roxy shoes, Candies boots, and more.

And of course what will always go with shoes in your day.....clothes. It seems that rhinestones, jean skirts, hip chains and hip huggers are the fad this year.

With guys it's a different story, muscle mass, and strength strategies seem to be the priorities on their lists. Protein shakes, and pills seem to be big hits with football players and those in weights.

There has also been plenty of interest in body piercings, such as nose, eyebrow, and earrings. This does fit nicely with the facial hair competition.

To the other extreme, formal khakis are becoming quite popular with the guys at North. Shopping for these clothes is recently done in the Portland area, at Washington Square, and other Portland malls.

Trends are a big part of the school and our future memories, but we also need to appreciate the differences and personality traits of everyone in our school.

The Hard Side of Life

Yes, it isn't any fun, but its something we have to do. Work has and always will be a season in our life, and though it doesn't feel as rewarding as sleeping or kickin' it with our friends, it does have its up sides. You get money, which is actually something you need, usually now a days to hang out with friends any ways. You learn important life skills for later in life (like...responsibility,) and every now and then you can actually like your job. Figaro's and Freddy's, to Meyer and Frank. Endless amounts of jobs to choose from and compete for. Working day and night doesn't exactly sound like something to fight over but in the long run we know it's something we need. How else would we go see *Planet of the Apes* on Friday night if we didn't have the money to do it? We can't pull the usual scam with our parents any more, we're old enough to get jobs they say, so we do.....

It seems the fun and popular places to find our spot now is pizzarias, name brand clothing stores, restaurants, grocery stores, MaPS, and coffee shops. We have so many wants in life that require money: cars, clothes, food and entertainment; these places are fun, fast paced ways to earn the cold hard cash we all desire.

Through these jobs we can learn the skills of responsibility, time management, money management, communication skills and other life lasting habits.

CRUISEN, CHILLEN, WORKING OR JUST GOIN TO THE STORE EVERY-BODY NEEDS CARS

FAST & FURIOUS

RIDING FINE IN PRETTY CARS

EVERYWHERE YOU LOOK, THE STREETS ARE FILLED WITH CARS DRIVEN BY VIKING STUDENTS. IN HIGH SCHOOL, HAVING A CAR IS A HIGH PRIORITY, WHETHER YOU BOUGHT IT YOURSELF OR IT WAS A PRESENT FROM GRAMS AND GRAMPS. "I CAN GET WHERE I NEED TO BE WHEN I NEED TO BE THERE, AND I DON'T HAVE TO DEPEND ON ANYONE ELSE," SAYS TONY GONZALEZ, A SENIOR, ABOUT DRIVING.

FROM THE MANY RE-OCCURRING FORD MUSTANGS TO THE LITTLE PONTIAC FIERO, "HOW CAN YOU GO WRONG WITH MY LITTLE FIERO!" SAYS JENN STREETER OF HERS, STUDENTS GOTTA HAVE WHEELS. HOWEVER, THERE ARE MANY WITHOUT. WHEN JON FAHEY WAS ASKED WHAT HE HAD SAY, HIS RESPONSE WAS, "OH, I DON'T HAVE A CAR...". DON'T WORRY, HE'S NOT THE ONLY ONE! "I WISH I COULD DRIVE KIM'S CAR," SAID VANESSA URRENDA, " BUT SHE WON'T LET ME!"

SOME STUDENTS ARE VERY PROUD OF THEIR CARS. "I GOT AN 8-FOOT BED THAT NEVER HAS TO BE MADE, GOD BLESS THE BIG RIG!," SAID A.J. LOMAX, WHILE OTHERS, SUCH AS KIRSTEN MEYER, AREN'T SO ENTHUSIASTIC. "IT'S CRAPPY, BUT IT GET'S THE JOB DONE." SHE SAYS REFERRING TO HER '88 CHEVY CAVALIER.

AND THEN THERE'S THAT OCCASIONAL STUDENT, LIKE KATIE MCKINNEY, WHO JUST LIKES TO MAKE FUN OF THEIR CAR. "MY CAR'S A PUTZ!" SHE JOKES ABOUT HER '74 MERCEDES.

WHATEVER THE CASE, IT'S GREAT TO HAVE THE FREEDOM OF YOUR OWN CAR. RIGHT? WELL, MINUS THE GAS AND INSURANCE ANYWAY.

ANNELISA OLSEN, JUNIOR

"ONE TIME ME AND A.J. WENT TO EMPORIUM TO PICK UP BRIANNA. HE WENT INSIDE, SO I JUMPED IN THE DRIVER'S SEAT AND DROVE THROUGH THE PARKING LOT. A.J. CAME OUT AND HIS TRUCK WAS GONE! HE CRIED. HE'S VERY SENSITIVE ABOUT HIS BIG RIG."

WE'VE GOT SPIRIT, YES WE DO!

ABOVE: THESE VIKINGS SHOW OFF THEIR SPIRIT IN RED AND BLACK.

FROM FALL TO WINTER SPORTS AND WINTER TO SPRING SPORTS, NORTH HAS ALWAYS SHOW HOW MUCH THEY APPRECIATE THEIR CLASSMATES FOR WHAT THEY DO. IT SEEMED LIKE THIS YEAR HAD AN ENORMOUS AMOUNT OF SPIRIT AT EACH GAME. NORTH IS FULL OF MANY ATHLETIC STUDENTS BUT COURTNEY CULBERTSON SAYS " I THINK ERIK AMMON IS MOST ATHLETIC BECAUSE HE REALLY GETS INTO WHAT HE DOES." SPIRIT WEEKS HAVE ALWAYS BEEN A LOT OF FUN. MANY STUDENTS SAID THEY ENJOYED DRESSING UP ON SPIRIT WEEK. WE NOTICED THAT MOST OF OUR VIKINGS REALLY GOT INTO IT WHEN IT CAME TO RED AND BLACK DAY.

THIS FOOTBALL SEASON WAS HAD A LOT OF EXCITEMENT IN IT. EVERY GAME PEOPLE DID SOMETHING TO REPRESENT THEIR AWESOME VIKINGS AT NORTH. EVERYONE HAD A DIFFERENT WAY OF SHOWING IT TOO. WE NOTICED SHIRTS STUDENTS MADE THEMSELVES, SWEATSHIRTS FROM SCHOOL, PAINTED FACES AND EVEN VIKING HATS. IT SEEMS LIKE EVERY YEAR MORE AND MORE PEOPLE GET IN TO THE SPIRIT FOR REPRESENTING NORTH'S ATHLETES. OUR SOCCER TEAM PLAYED WELL AND SO DID OUR VOLLEYBALL TEAMS. WHAT AN EXCITEMENT. "OUR BEST GAME WAS THE MCKAY VARSITY FOOTBALL GAME BECAUSE IT WAS A CLOSE GAME AND WE WON THE FIRST GAME OF THE SEASON," SAYS AMBER BROWN. WE HOPE THAT ALL YOU VIKINGS WILL STAY IN THE SPIRIT FOR THE FOLLOWING YEARS BUT TO THOSE OF YOU LEAVING NORTH GOOD LUCK IN YOUR FUTURE AND KEEP YOUR PRIDE.

Tony Gonzalez and Courtney Culbertson

If we didn't have friends, then before school and lunch time would be nothing but time passing. Daniel and Sarah Cobb say, "We have a great trusting friendship!" Friends keep us here. Friendships are what makes our hearts whole. Heather Stovall, Keri Harbaugh and Chrystal Morkal say, "We will always remain buddies!" They make sure that we never have to worry about whom we are going to hang out with during the weekend and even Christmas break

Bobby Britt and Larry Covington say, "Great times crashing dirt bikes into trees!" Everyone here at North make sure our friendships and relationships are top priority. Eugune Ob and Victor P say, "We wouldn't be able to survive school without each other!" Each and every one of us has the same right... Figuratively speaking; We could take that for granted and destroy's someone's day just by what we say.

Brandon Waller and Dan Sheffield say, "We met during wrestling last year and now we are best buds!" Most people forget to thank all of those people around us who take the time to make our days memorable

Brittany Tanner and Erica Perez say, "We can tell each other anything!" If most of our friendships are meant to be, then they will remain friends forever

Adriann Christie, and Naemi Herrera say, "We have a great friendship, we always make each other laugh!" I think it would be a great thing if we remember to say thank - you to a friend, even if you are thankful they stick by your side and support you. You should take the time to think about what all your friends have done for you. Maybe you could do the same for them in return.

All Out, Nothin' But

Making it to playoffs with help from tough players and new coaches

Winning is something that the 2001 Varsity Volleyball team knows quite well, since this year's team reached the playoffs--the first time a Viking team has done so eing since 1978. With six new varsity players, five returning players, and new coaches Kari Waldrop and Kristi Waldrop, hard work and deaication were major attributes of this years group of girls. The unity of the girls on the team, and the trust they had in each other made the grueling practices worth time and effort that they put in. New this year, getting pumped up for the game, they raised their joined hands and say, "All Out, Nothing but VIKS!"

Senior Kaylee Pfennig, who is a setter on the team, said that the difference between playing this year and last year is their a, "winning attitude, more competitive, and much more discipline." The most memorable part of playing this year was taking the game off of McNary and beating Lebanon twice."

Senior Megan Scheelar says her highlight of the season was making playoffs and her own personal high light was making 1st team "I was really surprised."

First time since 1978 for the Varsity Volleyball team to go to playoffs.

Senior Brianna Bender commented that the most intense part of the season was, "playing against South Salem and McNary."

Senior Emily Clark commented that the most memorable moment was, " playing silent football the hotel room at Roseburg during the tournament." She also says that, "this was the best team that I have ever been on- we all got along great on and off the court."

Over all this was a very excite year for these Lady Viks. From there example, hard work and dedication can get you anywhere. Look for the North Volleyball to continue to be successful in the future and stay dominant among the Valley League best

"North Salem is my home and I love playing for North I am able to represent my school by playing bes tin all the sports I play in. Good luck to all of the all the other athletes coming in thenext few years! Go Vikings!"

J.V. Volleyball

A little elbow grease and a lot of hard work made this year's JV Volleyball team sparkle with pride because of their winning season. They defeated many schools twice including West Albany, Corvallis, Lebanon, and South Salem, winning them a 12 and 6 record in the league.

"This season was great! My best memory was when Heather(Ackley) put kneepads in her spandex and acted like she had a huge bubble butt!"

The fun of playing the game probably made the season good, but it was also the stuff that happened after the games too. Many of the girls on the team have spoken about playing the Telephone Game on the bus going to or from a game. Like any other time, there was horsing around and just all around fun. You can just imagine the fun these girls had.

Autumn Helmick, a sophomore on the team, once said, "This season was great! My best memory was when Heather (Ackley) stuck kneepads in her spandex and acted like she had a huge bubble butt!"

With a coach like Kari Waldrop, we can all be sure motivation came easy to this team. And the plentiful amount of optimism and good sportsmanship helped this team go far. When they worked together, they got where they wanted to go.

Lucy Walsh, also a sophomore on the team, once stated, "When we pulled together as a team, no one could defeat us."

Hard work and determination is how it's done and these girls definitely have what it take to go far. If the team is this good next year, the Vikings here at North will be served with pride.

It's all about game

Freshman boys hit it off with winning, losing and learning a whole bunch of new skills.

The Freshman football team finished off with a record of 3-6. Coach Slack led the team in 3 victories and 6 nail-biting losses, with an overwhelming feeling of confidence and success.

Lead player Dan Clark commented that the most memorable moment was at practice when Andy V got a concussion. When asked about the season, his response was that, "the boys always kept their heads high. The most intense part of football is defense." The benifits he'll get from playing are scholarships and the cheerleaders. Dan hopes that in 2004, North will go to the playoffs.

Another lead player, Andy Dakoplos, said that the best games were the Sprague and South games. He comments about the season that "singing the Aniz song, watching Dan Clark getting locked out of bounds and breaking the tackler's wrists" were some of the good times in football. He also says that the difference from playing in middle school and high school is that it's actually "real football, more intense, pressure, and it's a lot harder."

The team began practicing well before school started in the fall, and worked hard and improved throughout the season. "I walked away from the season with a greater knowledge of the game and a better sense of teamwork." Comments Cory Hinzman. "Each player was instilled with discipline, patience, and greater respect for themselves."

Dean Kongsile summed up the season best when he said, "It's not whether you win or lose, it's how you play the game."

Striving For Sucess

Freshman girls play awesome their first year in high school and continue to improve.

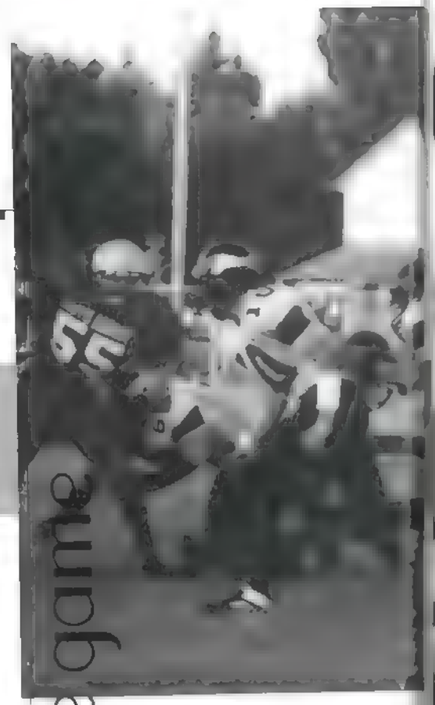
This year was a learning experience for the freshman volleyball team. They practiced and they practiced hard They also played as hard as they could The Lady Viks stormed through the Valley League, with a 9-9 record, while enjoying every single minute of the ride. Coach Boelke was guiding the Viks to victory all season long

Team members Liz Gibson and Jordan Herrmann say coach Boelke is the best coach ever, with her determination and the will to win

Of course it was all the players doing all the work on the floor though Liz Gibson commented that the most memorable events that happened during the season was beating South, fighting Lebanon, and going to the movies. "The biggest turnaround of the season was when we made coach cry and then the next game we worked so much harder!" Says Liz. Jordan Herrmann commented that it was, "harder, more intense, and actually real volleyball, than it was in middle school In middle school all you had to do is sign up and in high school you have to work your way to play It's a little different." Meghan Snivley responded that the benefits she gets from playing is the relationship you make with your teammates and the most intense part is the mental part of the game.

These girls are great and they have shown it all year long, so look for volleyball to continue their tradition of success

Today's JV Players are Tomorrow's Varsity Heroes.



The Future of the game

By Gabe Bennett

While not drawing as much popularity or attention as the teenage titans of our Varsity football team, Junior-Varsity or JV for short, holds just as much importance as a training tool for the Varsity heroes of tomorrow, if anything else. Coached by Derek Finck and Tony Grice, some of the standouts this year include #23 Sophomore Joey Arndt at Wingback/Quarterback (***2001 Offensive Player of the Year***), #35 Sophomore John Kohls at Wingback/Linebacker (***2001 Defensive Player of the Year***), #41 Sophomore Rolando Coronado at Fullback/Linebacker (***2001 Leadership Award*** winner) and #68 Sophomore Christian Lebansky at Offensive/Defensive Lineman (***2001 Most Improved Player Award*** winner)

"It was a fun group to work with and we improved a lot."

-Coach Grice

While this season may have been disappointing at a final record of **1 win** and **8 losses**, the experience gained by these Varsity heroes of tomorrow under actual game-play conditions will prove invaluable for next year's teams.

"I thought it was a very difficult year, given the numbers we had," says Coach Finck. "But our guys played tough and got better every week."

"It was a fun group to work with and we improved a lot," Coach Grice agrees.

Hopefully, with plenty of time both in the weight-room and on the field, these Varsity ***Viking*** raiders of tomorrow will go far towards rebuilding our football program's winning tradition and making **North Salem High School** a force to be reckoned with.

Go! Go! Fight! Fight! Win! Win! Gooooo Vikings!

The Varsity football team started out this year with a strong win. They pulled out a win against McKay, a team that ended up third in the league overall. They played a strong game, and won in the last few minutes. Our team played with a lot of heart this year. They had the burden of adjusting to a new coaching style. There were many sophomores playing on the varsity team this year, and that will be a huge benefit to the team in the future. The Viking team played a long and hard season, and never gave up. Our Viking fans were ever faithful, as they have always been. We will always have a fond memory of all our Viking faithful all dressed up and in the front row cheering at every game.

Kick it to the end

The Game draws you closer together as friends and as team-mates

The girls were back for another hard and tough year on the soccer field this year. The season was a long and challenging one, but the girls always kept their heads high and their enthusiasm.

Some of the girls said it was a fun season and they loved the teammates that they had. The Viks pushed out a lot of defense this year for their team mates and the game. No matter how hard their opponents were to play, the girls kicked through each game with aggression and excited faces.

Coach Barton was an excellent coach and leader for the girls this year as she encouraged them to play and fight hard but to have fun while doing it. "I wouldn't pick anyone else for our coach she was lots of fun," exclaims a few of the girls from the team.

Goin' for the Goal

We improved so much. I couldn't be prouder of our girls. For most of us, it was our first year in soccer.

Girls' Junior Varsity Soccer had a great year, full of personal growth and team spirit. Chelsea Risenmay, one of the team captains, had this to say: "Our girls' soccer team pretty much started from scratch. I remember our first game against Mountain View, the girls on the other team all had matching warm-ups, bags and cleats. Our girls' weren't even wearing the same colored socks. We got creamed. After the game, the ref told our coach that at our last game, we wouldn't even recognize the team we were at the beginning of the season. Boy, was he right, we improved SOOO much. I couldn't be prouder of our girls. For most of us, it was our first year in soccer. I think that if we train hard, Mountain View will have something to fear next year!" Of course we can't name every player who showed improvement over the year. Here are a few girls and their achievements according to their coach. Most Valuable Player: Chelsea Risenmay. Most Improved Player: Lladro Finster. Most inspirational Player: Audrey Eiffler. The highlight of the 2001 season was a 4-0 victory over McKay.

J2 boys have great team spirt and love to have fun!!

That just what are JV2 soccer boys did. Our boys worked very hard this year and deserve a lot of appreciation.

With only 11 players the often had to play 8 on 11 The almost never had a fully team. Our boys may have not had many victories on the field but the victory is in their team spirit and positive attitude. The most important thing was that they had fun. When getting Comments from team players all talked about the same thing, " We worked hard as we could and had a lot of fun." Jon Bendel was quoted saying; " This years season was pretty good!"

We are looking forward to watching developing in size and skill in the coming years. With a positive attitude and a willingness to have fun, this team is sure to have a brighter future.

Exciting action from the JV boys soccer team!!

JV 1 boys soccer had a great year. All the players worked hard and learned how to become a team. With the talent leaving varsity next year there's sure to be a good core aamount of these jv players moving up to varsity to play with what is already a talented team. Plus, with all the incoming players, the JV 1 squad looks to be pretty good as well. "We did pretty well this year. We had a very young team." says head JV coach Tim Farr. "Coach Swartzentruber will have some talented players moving up next year." He's right. Coach Swartzentruber will definately have something to look forward to.

There's gonna be some talented players on JV 1 returning next year. That makes for one exciting season.

Varsity boys soccer boy what a feeling

This year's boys soccer team has done a great job battling through adversity and inexperience to provide a great foundation and an even better future for this young team. In fact, to add even more excitment to this year's team, there were four exchange students.

While there were a few senior s on the team the core of the team will be back for another run that will undoubtedly make for alot more excitment next year.

With all of the returning talent, next year's team will be a feared competitor. The team has high expectations for next year, and plan on meeting them and taking them even further. The talent will undoubtibly reach even greater heights in the future.

With all the returning talent next years team will be a feared competitor.

Run Around the World

Striving to be the best, staying in shape and having fun doing it. What more could you want?

By Jackie Fisher

Running with the Cross Country Team means that you have to have strength, stamina and the heart to win, Devoting themselves everyday to keeping their bodies healthy, practicing, and keeping in shape, these Vikings have what it takes to win. Don't get these runners wrong, cross country this year wasn't all about practice and winning. They had many memories that they will never forget, from trips to mud pools.

With 3rd and 4th placings all through their season, cross country had many achievements to be proud of. Amie Warren went on to State November 3 and placed 35th out of 150. Great job Amie and all of cross country team.

"The best part of XCountry was crossing the finish line with no regrets."

~Robin Gates

These runners didn't just run around a track all day, they ran on the beach, through the woods and especially for their school and they were good at it. Robin Gates had this to say about cross country: "It was tough, but well worth it. It builds your strength mentally, physically and emotionally.

They always came together as a family doing what they loved to do best: run.

Move those feet!

Dance with feeling, passion and with all your heart.

They stretch, work hard and strive to be the best. Dance team overcame many things this year. These inspired dancers turned North's dance team from a low placing team into a team that scores high and wins trophies. This was their year. They placed at just about every competition and walked away with prizes and respect. The girls practice Monday through Friday at 5 am to 7 am every morning before school. They also sometimes hold after school practices and/ or weekend practices. But dance wasn't always hard work and no fun. The team did a variety of outrageous stuff that they would never forget this year Rachel Prestholt, one of the three Captains this year and a senior had this to say about her experiences on dance team this year, "The best this was at Dance Camp when the power went out and we didn't have to do anything."

" I had so much fun dancing this year"

~Mellissa Cardenas

For some of the dancers this might be their last year on North's dance team. Ashlee Jensen, Captain and senior is one of those few. But she won't leave with out good memories of dance, "The best this was joking around with all my dance team hommies", she says.

There is no doubt about it. These girls will never forget this year. The year when they each accomplished at a little part of their dream to dance.

Let's Go Vikes!

Varsity cheerleaders this year have a ton of energy and excitement to pump up the fans.

Varsity Cheerleaders lead the school in Viking Spirit.

North Salem cheerleaders do their best to get the student body (along with the crowds) pumped up at the games, but it's not done without teamwork and a great deal of concentration, skill and determination. The biggest responsibility is being loud and enthusiastic. If the tasks of the cheer squads were to get the crowds involved, help spread school spirit and promote liveliness at the games, the squad made the grade. Dressed in red, white and black uniforms, the cheerleaders led the common cheers at the football and basketball games. The squad added more juniors to the squad this year than last year, and was able to have more flyers, cheerleaders experienced with stunting. They did this by having countless days and hard hours of practices, lead by the team captain, senior Melissa Westerlund there were five other seniors on the squad. The rest of the team is juniors. Hard works, high spirits, and hopeful dreams are what kept these girls alive and ready for anything.

Freshman Cheerleders show how close they are.

Who truly holds the spirit at North Salem– the cheerleaders. Every football game, rain or shine, win or lose, the freshman cheerleaders work hard to keep their fans in good spirits.

Being new can be hard, but fun and rewarding at the same time. " I loved cheerleading for North this year and I plan on cheering next year also!" Says, Sara Do.

This years freshman team consisted of a variety of girls, all coming from different middle schools. " It was fun getting to know different people and being able to be so close with all the girls on the squad." Says Ashley Terleski.

Overall, these girls had a huge learning experience and were all excited to cheer for their fellow Vikings

Frash Cheer: First Row; Shay Murray, Andrea Boyes, Korisa Kessinger, Sara Do **Second Row:** Shelly Walther, Ashley Terleski **Third Row:** Michelle Charrowicz, Danielle Fetsch, Julie Schilling, Jessica Kreitzberg.

"What will you not forget about cheerleading from this year?
I will not forget about cheerleading is the incredable friendships that have developed between all the girls on the freshman squad. "
-Junior, Michelle Best

JV Cheer: First Row; Sarah Watkins, Tasha Winans, Sara Fortune, Ashley Mack Second Row; Michelle Best, Stephanie Mattison, Johann Miller, Ashley Larson, Bonnie Day

"What is your favorite pa of cheerleading?
My favorite part of cheerleading is competing competitions I also like stunting and shwing off m muscules."
-Freshman Sara Do

Are you ready for the North Salem Vi kings? We are ready for you! JV Cheerleaders this year help pump up the crowds at the JV games.

Viking spirit is definitely what the fall J.V. cheerleaders showed this year. The squad consists of captain, Bonnie Day, co-captain; Tasha Winans, Sarah Watkins, Sara Fortune, Ashley Mack, Michelle Best, Stephanie Mattison, Ashley Larson, Bonnie Day, Emily Dart-McLean, Janelle Brandt and Johann Miller.

Captain Bonnie Day says she loves being involved and enjoys working with the squad. These talented ladies participated in numerous activities such as summer camp, helping out with concessions, and spreading Viking spirit around here at North Salem.

Ending the season with all juniors on the squad, most of them plan to try out for Varsity Cheerleading next year, so be sure to look for them on varsity next year!

Nothing but net for these boys

Vkings ball it up and down the court. They showed them the rounds.

The boys have worked very hard this season. Practicing everyday is very strinuous. They sometimes even practice on saturday mornings and practice on days we don't have school.

This season we almost beat south at home in the second overtime. The score was very close. With a very defensive game south had problem showing enough defense against us. tied making us go into overtime. We made a few shots they made a few shot which tied us going into another overtime. South won by 4. We also had a very stong game against Cresent Valley who was undefeated before they met us. "We just would let the score on us. says fan" Ashley Thomas. They tried but we just kept trying harder. It is hard not to win with all the support of the viking fans in the crowd.

This is what we tend to see from our vikings WINNING. We support our Viking and we are so proud.

"When we had one win and one loss at Lincoln!"
-Ashley Thomas

Congraduations to the seniors Matt Scandlan, Jacob Peterson, Sean Lake, A.J. Lomax, Jed Lowrie, and T.J. Stoltz on the Viking Ballers. To the underclassmen we will see you next year for another great Viking Team.

"(Playoffs weren't) really a disappointment, but I think we thought we could do a little better. We played really good against Lincoln, but there were just too many pass overs at the end of the game."

Getting Ready

This team learned much, worked hard, and look to the future!

"Go Viks!" the crowd yells as the stands then go quite. They shoot...they score! The crowd yells! the Viks the wonthe game!

The JV boy basketball was lead by coach Keeker.He said that he was proud of the boys, and we should be too.The boys always have the positive attuide to work harder so they can win their next game.

Here are four important things that makes this team so great:

*They compete well each game.

*They impove rapidly

*They work hard and practice well no matter what.

*They have great team work.

We appreciate our boys for all their hard work. They have earned it. Here is a big thank you to all the jv basketball players that went and represented our school with pride. The boys made 2-16 this season and improved every game. Let's hope we have a team with this much pride next year.

What do you like about the team? "The way we can lose but then it make us work harder" say Phil Dupont

Phill Dupont waits for the pass.

What is your favorite memo of being on the team? "When I fell my face, But, really that is normal for me."

Precious moments with the jv boys basketball team

Heroes of the Court

The freshman boys basketball team had a season with 9 wins and 8 losses. The freshman boys started out a little rocky, but soon pulled themselves together. People at North strongly beleive that the boys of 2005 will lead North to victory. The freshman boysfeel the same, "I think we're doing great and I think we will dominate next year on JV and in the years to come on Varsity", stated John Sonden. The boys had a combination of different people and different skills. They worked hard this year and will continue to work hard in the years to come.

On Their Way

Girls Freshman Basketball had an outstanding season. The girls had all it took to win height and talent. 8 out the 13 girls were 5'6 or taller, and 2 of them, Whitney Lee and Sadie Ogan.

"I love watching the Freshman Girls play. It reminds me of how I used to be", stated Lindsay Terpening, after being asked if she enjoyed watching the frosh girls play basketball. Even though they still have 3 years to prove themselves to Varsity, we at North have faith in them and believe in 2005 the girls will take a championship

Girls hoops

Girls play hard for the future of out team. They play with all there heart and it really shows.

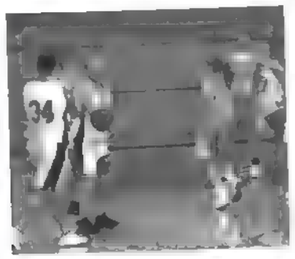
This year, the JV girl's basketball team has played very hard. The team has been very strong and been working hard together. The team has shown a nlot of talent this year and hoping to show for it for the rest of the season.

Here are some of the team's thoughts about how this year is going for them. Jessica Stout has to say for this year is "playing on a team with so much talent has made my experience on J.V. more rewarding. I have learned the fundamentals of the game. but I have learned the ture definition of TEAM "

Ashley Huff also has something to say " so far this year has been great! This group is really coming togrther great, not only as a team, but as a unit of friends. Our J.V. team this year has a huge amount of talent and I look forward to playing with this group my next three years of high school." Katie Seifer says: "Hey you guys! I love my team, we are the best, that's all I have to say You know, just bring it baby!"

So far this year has been great!This group is really coming together agreat not only as a team but as a unit of friends.

For the last player to say something for the team as tight as we are. We are a great team who knows each other inside and out and that's how it should be!" Well, I hope they keep this good job up for the rest of the seanson. Go J V girls you go!



Kristin Fober throws the ball to Jessica Stoutto shoot for the team.

Randy Ridderbush gets ready to shoot a freethrow for the team, and Ashley Huff and Lucy Walsh standing to wait for the rebound

Even though we had a few unexpected line-up changes, all of us learned to play like a team. And we did.

On the court

All we really want is smooth basketball grooves.

All I really want is girls...BASKETBALL! This year's varsity girls basketball team had a great season.

The girls really had two basketball seasons this year. The first half of the campaign was marked by a winning attitude and confidence. With a very young team such as this, experience and skills tend to lag behind such healthy mental outlook.

During the later half of the season things changed dramatically. The team improved individually and the reform produced better games and more impressive statistics.

Overall, the girls had tons of fun this year competing and playing the best ball ever. Good Job Lady Viks!

" The season was great,but it was also hard."

Perserverance keeps the team together, strength helps you win

The wrestling team worked hard this year, not only in matches against opponents, but in encouraging their team mates to fight hard. They pumped iron in the weights room, and worked hard to build the strength they needed to persevere through the season. The year was hard but the team did good, pulling out with two Viking team members qualified for the State Championships. Our boys worked a tremendous amount of time to get ready for the finals.

Wrestling requires lots of work and devotion, not to mention the endurance of some aches and bruises from time to time. It's not just going out there to pin your opponent, wrestling is about technique. It's the time you put into it, the tedious and endless efforts to perfect your strategies and the amount of practice it takes to do so. The Viking parents and fans were also there to support their Viking wrestlers, as the matches were invigorating and tense with hope of our victory.

Wrestling is not just going out there and pinning your opponent, its practice and technigue.

The wrestling team was a great one this year and the hope of another next year is even stronger.

Splashing around

Swimmers making a big splash!!!!!!!!

This years swim team, consisting of 18 boys and 27 girls, had their first meet last week on Thursday, December 6th. This years team is coached by Martina Mangen and Larry Philbrick. Our Vikings brought home two first places, an incredible feat for their first meet of the season. Aaron Iwaniw won first in the Individual Medley, which is 50 yards of each butterfly, backstroke, breaststroke and freestyle. Scott Kirkland won first in the 100 Yards Breaststroke with a time of 1 minute14 seconds... 2 seconds faster than his previous personal best last year.

Personal and team improvement are important to this years group. They keep personal time sheets for each practice and jot down their laps for future comparison. The team also raises money doing this. They collect pledges and have "swim-a-thons". Each person swims half the practice (about 40 minutes) continuously, counting the number of laps they complete. Some students can swim about 60 laps, or 3,000 yards. Donors gave these students Pledge money for either each lap, or a flat amount Kind of like the Jog-a-thons we had during Elementary school.

Our foreign exchange students are contributing to the team as well. 5 students from other countries are helping them out, including two from Germany, one from Denmark, one from Russia, and one from Peru.

REACH stands for Responsible Educated Adolescents Can Help and is a club that focuses on giving people an alternative to drugs and alcohol. Members of REACH help others in making smart choices with their lives. One of the activities this year was the red ribbon project where people wore a red ribbon to pledge that they would not drink and drive. Nine hundred people made the pledge and a light was added to City Hall during winter break for each signature.

Another project was S.T.O.M.P. (Sales of Tobacco to Minors is Prohibited). REACH members went to local stores and attempted to purchase tobacco products. The outlets that disobeyed the law and sold them to the students were issued a fine.

REACH also sponsored North Salem's talent show and promoted our prom and graduation night.

"People should support REACH, because it's a good organization that helps promote student involvement in school."

- Anna Walsh, president of the club.

"It makes me feel like I'm making a difference in my school."

- Beth Moullet

Responsible Educated Adolescents Can Help

This year's speech team was awesome. They were involved in many competitions, resulting in many of our students bringing home metals, and trophies for first place. During speech and debate you learn how to write good papers. You also learn how to debate things to the point of winning and argument.

Many meetings were held and lots of practicing took place. But all the hard work paid off, resulting in a great team. One student quoted, " It gives me a lot of confidence about myself, to know that I can do it and bring home a metal."

Another student quoted, " Speech team helped me overcome my fear of talking in front of people." Speech team is led by Ms. Zielinski. If your looking for something to become involved in next year, you should consider speech team. They hope to continue with all of there success. Join to have fun and join for the future. It is a lot of fun and you will learn some skills to remember always.

The Honor Society is a rather large group of students of around two hundred kids who have accumulated at least a 3.5 GPA. Throughout the year they have had the privilege of working with children that are attending elementary school. It is included with reading to children, being a mentor, and being a friend. Seth Jesse is the president of the honor society and Ms. Mast is the leader for the honor society, she said, "It's a good opportunity to work with others, and the kids have a lot of fun."

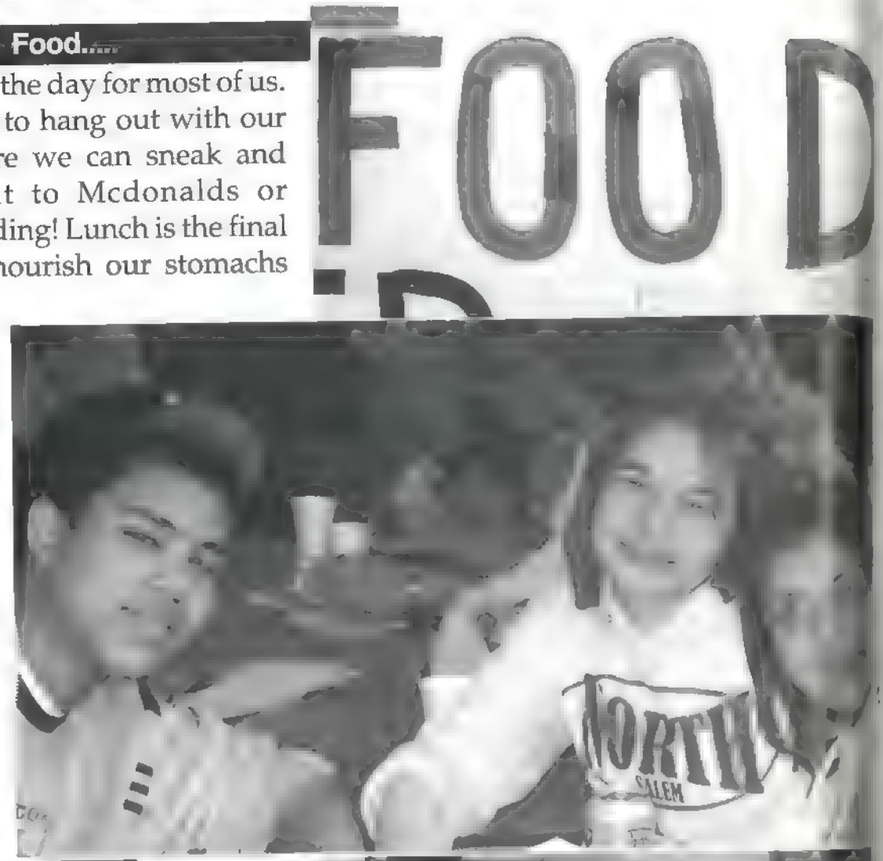
It's Time to Chow

Food.....

Lunch! The best time of the day for most of us. The time when we get to hang out with our friends, the time where we can sneak and make that little visit to Mcdonalds or Safeway.haha, Just Kidding! Lunch is the final time when we can renourish our stomachs ....and our brains! The wonderful selection at our school creates a variety for students to choose from and to shove down in between the time that they are talking with friends.This icludes the salad bar, the hot lunch and the food stands, which seem to be the most popular. Well, clearly you can see why the students here at North love their lunch break. It's just plain fun!



Students chow down during lunch on the great pizza and subs from school

Students sit by their lockers during lunch but they remember that they have to stay off the carpet!

The students visit the coffee shack and the food stands during lunch

Check out the lunch time activities, some eat, and some just hang out with their friends.

Dances

HOLLYWOOD Homecoming

Dancing the night away under the Hollywood stars.

Homecoming 2004 proved to be a fun-filled week at North. The theme "Hollywood" set the mood for the assembly. Seniors dressed out in their "star spangled" attire, juniors wore their "star struck" outfits, and sophomores kicked their week off in their "star quality" clothing, and from what returned to find, proved to be a "famous" assembly.

The excitement began with dress up days. Monday classes represented a century to start the week. Tuesday was 80's day. Wednesday we broke out the crazy hats and neon shirts for Hawaiian day. Thursday was Western day, and of course, Friday was red & black day.

Friday was the big day of the Homecoming Court was to be announced before school started. In the afternoon assembly, "Hollywood Homecoming" was the theme in which a metallic sign was hung up with fairy lights hung in willowy trees on the way into the North hallways. Two years ago, only seven days were shown on the sign with personal backgrounds to represent the viewpoints for the picture on the sign. We were in Hollywood.

The two junior court members of Dan Skelton, Vanessa Stockton, Erin Clark, and Anna Ayoub. Prince Dan Clark commented that his close brother Cliff Eiffler gave him some pretty good advice. "Make sure you don't trip when you're walking." And the freshmen were very excited to represent their class this year.

Representing the sophomore class was Tony Sword, Mary Klein, Mitchell Cooley, and Sierra Rose. Wearing a Jackson, "Cream of Milton" was Ryan Munford from Sword sported his shades.

For the junior court was Cliff Eifler, Ashley Larson, Angel Cichon, and Sara Fortune. Princess Ashely Larson said, "The worst thing that happened was when we were all getting ready in the women's bathroom, and we were in one, kick in the water [only] so [that's it]."

The senior court was Jennifer Streeter, Ryan Downs, Megan Scheelar, A.J. Lomax, Anna Rose and Ben Clark.

After the 2004 Homecoming King A.J. Lomax and Queen Anna Rose were crowned the clowns received flowers as rewards.

After the school day ended there was a pep rally which started at 3:30 on the Lacrosse Hill between South Salem. Each class was in the bleachers there for cheering in their theme. New additions to the pep rally were the Equestrian team, MECHA, The cheerleaders also competed in Cornerless Basketball their class spirit.

The Homecoming game ended the day's homecoming football game pitting the North Vikings against the Corvallis Spartans. The Vikings were killer instinct red and black. The Vikings scored with two minutes left in the game, 28-7.

The day ended with homecoming dances in the main gym. Extended dance time to 11:30 p.m. was a real appreciated by the students. In the middle of the dance, the court was announced and a song was selected for them.

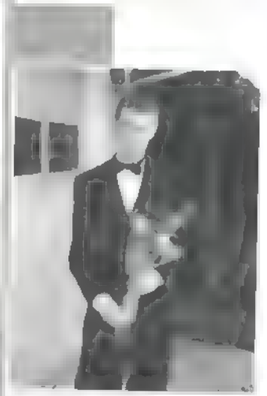
Over all North High Students seem to enjoy the entire activities and school spirit.

"Being on court with A.J was great! We were on court together sophomore year. He's my best friend and I love him to death."
-Senior Princess, Megan Scheelar

"The most exciting part of the day was hanging out with Megs and getting king. I'm a smooth criminal."
-King, A.J. Lomax

"It was fun to dress up and be announced before the whole school and riding in a convertable."
-Freshman Prince, Dan Skelton

"Sara and I are best friends, so it was way cool to be on court with her!" *- Junior Princess, Ashley Larson*



"I luv you O-TOWN!" -Queen, Anna Rose

"It's a tad bit breezy, don't ya think?" -Senior Prince, Ben Clark

Senior court members Princess Jennifer Streeter and Prince Ryan Downs show their bright whites after the assembly. Jennifer and Ryan have been good friends for a long time and they were happy to be on court together. They both agree that Homecoming was tons of fun this year and will never forget the "good times".

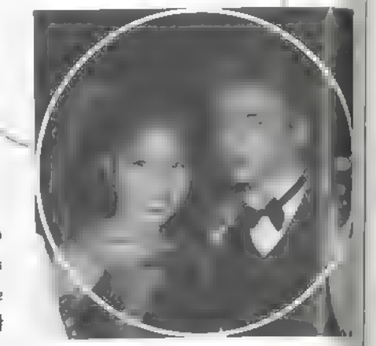
Snoball

A Night Under the City Lights

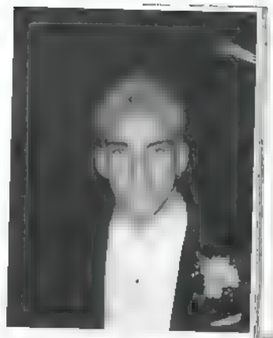
A Night Under the Lights of Paris

Snoball. A time many girls here at North look forward to most in the school year. A time when they get to make the plans and prepare all the fun and romance. The guys, they get to sit back, relax and hold on to their money. Some of the girls at North made dinner for their dates and went to the dance, or went to a nice restuarant. Afterwards was followed by a movie or just hanging out with dates and friends.

The theme for this years Snoball was ' Paris, A Night Under the City Lights.'
North's Snoball was held at the Salem Armory this year. There was great music and lots of room to dance. It was a fun time for friends and couples alike. Whether it was a night of romance or just fun with an evening of friends, the whole day was a blast



"I had a great time with my girlfriend. She was so beautiful, and she made a scavenger hunt for me to find where we were having dinner, then we cuddled and watched a movie"
~Steve Whitton



What was the biggest hassle about getting ready?
"Doing my make up, I wanted it to look perfect."

Winter Court 2002

The Way You Make Me Feel

Winter Court was filled with many memories

Winter Court was a huge success Though the Junior class had many obstacles and duties to attend, they were able to design the looks of the 2002 Winter Court. The theme of this years Winter Court was, "The Way You Make Me Feel" Taken from Michea ackson the auditorium was filled with pink and silver balloons. cut out props of Michea and an archway surrounded with streamers and ba loons.

A guest appearance from Junior Adrian Grado was held, where he did improve dancing, to introduce this years court.

This years Freshman court consisted of Dean Kongslie, Blaine Knuth, Shay Murray and Sara Do. Prince Dean commented that, "the best thing about being on court was wearing a tux." Princess Sara Do said that, "bowling with the seniors was a lot of fun." Prince Blaine Knuth commented, "Dancing with Natalie was great!"

Sophomores where John Kohls, John Hillerich Lenae Orcutt, and Bethany Kuenzi. Princess Lenae said that the funniest part of the day was, "Jons 40ft motor home."

Juniors represntin Tyler Hollingsworth Matty Ellsworth Heather Sparks and Ashley Messoline Princess Heather said that the worst thing the happened was, "when I stepped on my dress and I thought I was going to fall!"

For the class of 2002 Emily Clark, Natalie Peterson, Kasey Zimmer-Stucky, Ryan Penn, Jed Lowrie, and Rory Nichols. Princess Emily comments that the best thing about being on court was "actually being on court. Th s was the 8th time ve been nominated so t was nice to put t to an end." Prince Rory Nichols had to go through many preparations for the big day "I had to travel to a remote jungle in Africa where I hired a band of chimps to pick the fleas out of my hair." Says Rory. Princess Kasey Zimmer-Stucky said that most nerve-racking part was, "making sure I walked to the stage mock 1 speed and not mock 7 Right Ryan Penn?"

As the time went to crown king and queen came closer, the excitement ran high. Principal Margo Bellock did the honors. The 2002 royalties went to King Jed Lowrie and Queen Natalie Peterson. Natalie commented that the most exciting part of the day was, "being crowned! It was totally unexpected! And that I love Jed! He's my buddy!" Jed said that the only thing that was going through his mind was, "how hot Natalie looked and that Natalie is my hottie!"

Overall, the ,uniors and help from the leadership class put on an excellent program where memories were made and never be forgotten.

Counseling and Administrators! Lets start with counseling. Counseling, not something you would often go do. Well you should see your counselor if you have any problems. Your counselor will be located at the guidance center. You're probably wondering whom your talkative outgoing counselor is!

A—E= Sue Basen
F—K= Steve Keller
L—Ri= Maria Mendoza
RO-Z= Tomasina Edgar

Now that you have the information, North urges you to get your problems out to relieve your stress. Remember they're professionals, so don't be afraid.

The first thing that comes to mind when the word "Administrators" is mention is the Principal and the Vice Principals. That's right, but there are more of them. Margo Bellock is the Principal. There are four Administers. They are better known as Vice Principals. Matt Biondi and Clinton Gertenrich, Lynn Freshour, Bob Hill, and Trina Legacy are your vice principals. Lynn Freshour is soon retiring. If you need any help or you have questions just go to the Student Center, ask Betty Gaffke to see any of the four and you're set.

Meeting the Makers

A look at the staff of the yearbook and Claion

The yearbook and clarion staff had a fun, busy, and sometimes crazy year with the Clarion and yearbook. Their yearbook editor, Kory Willis and The Clarion editor, Jackie Fisher worked hard with the news production teacher Jamie Davis to put together quality papers and a quality yearbook this year. The students and staff in the news production class were assigned about two yearbook pages per deadline, while also completing stories and other work for The Clarion at the same time. The students also got involved in a lot of work with the dances which some of them had a lot of fun doing. "I loved doing the Snoball page, it was lots of fun." Tiffany James, a yearbook staff member.

Seniors were the big focus this year, the yearbook also put a lot of time in senior issues and the junior/senior prom

Beautiful Music

Orchestral Sounds at North

You walk in and you hear beautiful music. You go in even closer and you see violins, violas, cellos, and basses. Now, you wonder, what you are seeing and what you are hearing. It is the North Salem High School Orchestra.

There are three orchestras this year, the chamber orchestra, the concert orchestra, and the symphony orchestra. The chamber orchestra and the concert orchestra are all consisted of orchestra members, but the symphony orchestra is consisted of about eighty members. Sixty of them in orchestra, and twenty of them in band. All three orchestras, are under the direction of Mr. Larry Garrett, who has been teaching here at North for five years.

North Salem also has a string quartet, which consists of: first violin, Pamela Johnston, second violin, Emily Weimer, viola, Melissa Thayer, cello, Ona Claney.

Also, North Salem has a string quintet, which consists of first violin, Laura McNamar, second violin, Robyn Gates, viola, Jamie Robinson and cellos, Caroline Davis and Zachary Taylor.

Two of North's orchestra members made it into all-state: Pamela Johnston on violin, and Melissa Thayer on viola.

The chamber and concert orchestra both participated in the Salem-Keizer High School Invitational Festival here at North, held on April 13th. The symphony and chamber orchestra also competed in the state competition on May 10th.

The orchestras have done a great job and hope that they keep up the good work, for many years to come

Our Viks Band Program Excell

With the support of parents, administration, students and a great new teacher our band program rocked this past year. There were an astounding number of students invited to many prestigious compititions. There were ten students invited to WIBC - the Western International Band Clinic. There were seven of our students invited to the Oregon All State Band, and there were twenty-four students invited to the All City Honor Band. In the All State Band we had four students representing North in first chair. These students were Hilary Mayer, Stephen Holcomb, Chelsea Risenmay, and Russell Berger.In the All City Honor Band we had seven in first chair. These students were Leah Beukelman, Issac Bergvin, Amanda Cox, Stephen Holcomb, Lindsey Johnson, Chelsea Risenmay, and Matt Cortez. Leah Beukelman, Stephen Holcomb, Lindsey Johnson and Chelsea Risenmay got to participate in all three competitions. Also Kerry Shelton, Kayla Hannon, Alicia Parsley, Kendal Vreeland, Kenneth Strawn, and Matt Cortez were invited to two out of the three competitions this year.

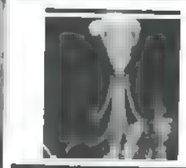
Nick Davidson, a new addition to band had a great year. He really enjoyed all the new friends he made.



Our band program was involved in the all city, all state and Wibc competitions

Our band program will be a lasting dynasty for years to come, representing, and supporting our Viking Spirit!!

After traveling theseViking band members take a well deserved rest! They performed in Washington, and many different places in Oregon this year. They brought back a variety of awards and accomplishments.

Learning a New Language

What language do we learn today?

E.S.L (English as a Second Language) is one of the classes with the most cultural diversity in the whole school. There are people from different countries as well as different languages. Let's keep in mind that America is completely different from where they come from, but yet they find a way to become adjusted to our traditions and most of all our language. Like all students they are very enthusiastic about learning how to be someone in life. Students in this class come without knowing how to say one word in English, but they leave this class being able to have a full conversation. The E.S.L. classes are taught by: Mrs. Allen, Mrs. Mazzei, Miss. Waldrop, and Mr. Ramirez.

Behind the Scenes

Getting a look at the teachers you might not see

Here are faces of people in this school who may not be teacher but they're just as important. They are the classified staff. They're the one who take care everything such as making sure you get your messages in the student center to making sure the school is clean. They work just as hard as teachers making sure students are getting what they need. Stan, Cathy, and Mr.Ball do there best to make sure you are in class while the Sherry Kessel in Attendance makes sure you're here, and deals with people checking out as well as checking in. As you can see they are important. Teacher, classified staff and students make up are Viking family.

A Work in Progress

"Art Rocks!!! Whoo!!!" –Brian Zenor

By Andy White

What is Art? What is beautiful to one person maybe repulsive to some one else. Well at North we have an abundant supply of Art classes. Such as Drawing, Pottery, Calligraphy, Painting, Photography, Graphic Arts, and a new class called Art and Cultures. The new Art and Cultures Class takes you into about all of the other art classes to see what you like and do not like. We have four wonderful teachers teaching them. Stuart Chalupsky, Shirley Giesbrecht, Michelle Kuss-Cybula, and Barb Narkus. They are all adjusting to the new building and their new rooms. "Some day I hope to be able to draw a straight line with out using a ruler" said Laura Parsons, "Chalupsky is a crazy man." says Claudia Cervantes while working on her rain stick.

Junior Reserve Officer Training Corps

JROTC, or Army Junior Reserve Officers Training Corps, was formed in 1916 by act of congress to develop the leadership skills of young people and motivate them to become better citizens. North's JROTC program is one of several in Oregon and Washington and one of over 1500 in the United States and around the world in places like Guam, Porte Rico and at U.S. schools in Germany (some of them are Army units, but there are Navy, Air Force and Marine Corps JROTC units to). Students who enroll in JROTC are issued a complete dress uniform supplied by the U.S. Army. Students wear these uniforms one day a week for inspection and on special occasions. BDU's (fatigues) are issued during special activities and training. If a cadet possesses good performance and leadership skills he or she can advance in rank and hold leadership positions within the Viking Battalion. North's JROTC Battalion is made up of about 110 cadets this year although enrollment can be anywhere from 90 to 150 from year to year. In addition to Drill Team, Color Guard, and the Physical Training Team, cadets also perform an average of 4000 hours of

The JROTC Cadet Creed

I am Loyal and patrtiotic. I represent the future of the United States of America, the greatest nation on the face of the earth.

I am proud to be a member of the Junoir ROTC Cadet Corps, and will conduct myself so as to bring credit upon the corps, my school, my family, and my country. I will not use my position as a cadet to attain pleasure, profit or personal safety.

I will not lie, cheat or steal nor will I tolerate those who do. I am accountable for my actions and my deeds. Good citizenship is my watch word. I promise to work hard and with all the intensity possible to strengthen my body and stimulate my mind. So that when the mantle of leadership is passed to me, be it civic or military, I will stand always prepared to uphold the constitution and the American way of life.

Math Class

Love It or Hate It

Math is a subject that North has been known to excell at. Whether it's Algebra, Geometry or Calculus, students have despised it and teachers still seem to love it.

Some of the things that math classes do, other than take a lot of notes, is participate in mathematics competitions like At-Pac and the AMC.

The range of math studies goes from the simplest, addition, to the toughest, calculus, and everthing in between.

Some of the math teachers this year included Ms. Gann, Mrs. Binnie, Mr. Keeker, Mr. Atkinson and Mr. Ward.

Many students have opinions about math class. Junior, Melissa Thayer, says,"I think the first test should never count." Many people agree with her philosophy but the math teachers still won't change their policy.

So no matter how much students hate math it still is a necessary study and should still be considered a good class to take, because without math the world just might stop turning.

Read Write Speak

"We started a bunch of new classes that students will hopefully find more interesting than the regular English classes," says Mr. Davis when asked what he thought was one of the accomplishments made by the English department. The English department made many other accomplishments other than starting new classes.

"I'm really glad that North is focusing on reading as a number one goal, I think reading is the most important thing that students can do for themselves," says Mrs. Zielinski. When it comes to speeches the English department gave more chances for the students at North Salem High to pass the CIM speaking task.

The Morning Brew

A learning experience out of the classroom

Have a cup of Joe! At it's creation, the Coffee Shack was in a very small room, but two years ago the students worked really hard, on their own time to move into Balcony B. So now instead of a tiny 3 x 3 hole in the wall, the Shack is in a easily accessible room. There have been many students very dedicated to the business. Some have been employed for more than two years, coming everyday, some have only been employed for a few months, but everyone is totally into helping out. Tyler Scialo, the teacher in charge of enjoys just letting the students figure things out, try new things, and make decisions that impact the company. It has been a great environment for the students, who are learning how to run and manage a business and are able to use the experience to get other after school jobs at the coffee stands around our city. The students are only paid $.50 an hour, but the experience, and the fun of it make up for the money. Many of the employees have said they don't mind the low pay, and would even have done it without getting paid. Some of the new improvements this year were teacher delivery, a bigger spot, and many new flavors of Italian sodas. Stock went up in the company, people who put six dollars in got up to 15 dollars back!

STUDYING UP

Working for that Diploma

Study hall and LRC have had a great time this year. Mr. Nicholson, Mr. Cross, Mrs. Stephens, Mrs. Lund and Mr. Faler have had a great time this year helping students grow this year. They have also contributed there time to make this year's senior class that much better academically. I have asked almost every teacher involved with the study hall and LRC programs and each one of them says the same thing, There favorite part of teaching these classes is helping the students learn and develop better study skills. "

Many of the teachers duties have to do with spending time with students so that they can help them learn in their own way. That is another thing these teachers love about their classes. "My class has around fifteen people so I can get to know all my students on a personal basis and not just as a student but as a person.

Opening Doors

Business at School

With the computer age in full swing everyone knows that in order to succed in the business world today computers skills are a must. Luckily, we have three great teachers to help us learn computer programs and teach us exactly how the business world works. Using the benefit of many year's expierence, these teachers have taught us alot about what the business world is really like and how much fun it can be getting in the business world. Mrs. Kilfoil, Mrs. Comstock, and Mrs. Scailo have 'l contributed to the work this great team has left a strong impression on the students they have taught.

Next year those students who are going over to West Salem and are planning on taking a business class will actually get a welcome suprise, Mrs. Kilfoil has decided that she will transfer over to West Salem and be one of the business teachers over there.She will be sorely missed by all the students here at North. Mrs. Comstock will be taking over the MAPS class and head the business department next year.

Industrial Tech

Wood and Metal Units

Industrial technology, what usually comes to your mind? People say an industry that works with technology, others said that they didn't have a clue. Most all of students here at North seem to forget that we have an industrial technology class here at North. It isn't about an industry working with technology, but it just a fancy word for metal shop and wood shop.

People always seem to ask why to take a class like metal shop or wood shop. Well, it is assumed that some take it because they want to be a carpenter or work with medal after they graduate from North. While some take it because they have fun working with wood or medal. You can also take this class because it is fun to some.

These classes can be fairly easy to some students and fairly difficult to others, it just depends on how much you like working with wood or metal and how well you know how to use the tools.

Even though these classes looks hard to some students who don't take the classes, these classes can be fairly easy, if you know what the tools are and how they should be used.

The projects in wood shop, can be a wide variety, beginning with something easy, like a spice rack to something extremely difficult, like a birdhouse. While it is still uncertain what kind of projects they do in metal shop.

Thank you to Mr. Dave Anderson, who teaches Wood Shop and Mr. Greg Smith, who teaches Metal Shop.

So, if this has encouraged to do anything, take wood shop or metal shop next year, these classes are not as easy as they look, and who knows, you may even like taking the class.

Family and Consumer Studies

North Salem has a wide variety of family and consumer studies classes. Mrs. Barton teaches Family Meals, Food Choices, and Culinary Arts. The third class is the advanced foods selection that runs a catering business and participates in the statewide culinary competition.

Students who are interested in classes about children usually take those offered by Mrs. Everitt. Developing Child 1 and 2 focus on the behaviors of newborns up to age two. Teaching Young Children offers a preschool for kids ages three to five and prepares the lessons for each day.

The Sewing class, taught by Mrs. Beck, is an option for students interested in clothing design. Other electives run by Mrs. Beck are Hospitality, Tourism, & Recreation, which focuses on those three industries and includes field trips to restaurants and hotels, and Interior Design, where students draft a house plan and design it.

The students in Mrs. Everitt's Teaching Young Children 1 class take part in working at the Viking Tykes preschool. Various activities include artwork and reading.

World of Health

Health Shows in Student body!

Mr. Murphy, Mrs. Dougherty, and Mrs. Sexton have all worked very hard this year to welcome in the new wing's health department. Gone are the old beat up classrooms that were the trademark of the three hundred building. Now, with beautiful classrooms to work with along with an eager group of students, this group of students are great students and have a lot of fun with what they do. Today's health classes are high tech and that is how they are being taught. These students complete projects that will help them not only in the immediate future, but throughout their lives. Who knows, maybe there's a future doctor in health class that will someday be rich and famous.

Brad White

From birth through boyhood with a brief stop at death's door,
You've been a fighter and a scrapper and all we ever hoped for.
Congratulations dear Brad, as graduation draws near,
May you cherish the memories of those earlier years.
You are Dad's pride & joy, and forever Mom's little man,;
Take a firm grip on life, and be all that you can!
May God bless you and guide you as you venture on your own,
But remember our son, you're only a phone call from home.

Love,
Mom, Dad & Candice

Young Jasmine's Journey

Sabrina was my Mommy's friend
I called her Auntie Bri
I called her husband Uncle Dan—
It made it easy for me

Now Auntie Bri had asked if I
Would like to take a trip with her.
She'd take a drive to her Amee,
With a quiet little girl.

Delighted with the prospect
Of a trip with Auntie Bri,
I vowed to be the best I could
While driving by the sea.

We left Key West at daybreak,
Spent three hours in her Van;
Then spent an hour in the airport
Playing, waiting for Uncle Dan.

Then Uncle Dan showed up
And kissed my Auntie Bri.
Then half way home I wondered
When we'd stop at Bri's Amee.

"Aren't we going to Bri's Amee?"
I shouted in the van.
"I don't know that word my girl,"
Replied my Uncle Dan.

"AMEE! Her Amee!" I stressed
In manic desperation.
Through hilarity and laughter
They gave an explanation.

I wish they'd wipe that silly look
From off their pompous faces;
It's not as though I've never been
To many different places.

Bri really didn't make it clear
About this trip to her Amee;
How was I to know the airport
Was in a town they called Miami?

Between the security of childhood and the insecurities of a second childhood, you find that fascinating element of life called adulthood. We've loved watching the journey of your childhood and can't wait to watch and participate in the continuation of your journey.. adulthood. Let the Journey Begin!

All our Love,
Mom and Dad.

Way to go little bro. Life is full of challenges. Some are big and yet some are small. Now that you have completed one it's time to move on to the next. I now that by keeping a positive out look and using your great sense of humor and you will be able to conquer whatever life sends your way. Just remember, I am very proud of you, and i believe in you.
Love Scott

Congratulations Charlie,
Life is full of challenges; deal with them as they come. Your sense of humor, love, respect and inner strength will always help you through. Keep planning your future and dream of ways to get there.

You are my Hero,
Love, Mom

Congratulations Charlie,
Lots of luck
We are proud of you Jason and Breann

No experience needed. Our studio staff will show you how.

Customers simply select a piece of pottery, choose a design, paint, we do the glazing, firing and clean up.

Our studios provide everything for the artistically challenged including stamps, stencils, sponges, idea books, a little coaching, and a lot of encouragement.

Adults, teens, and children of all ages are welcome.

Create a Memory Where everyone is an Artist!

We're fun, funky and functional.

A season with everything

VARSITY BASEBALL

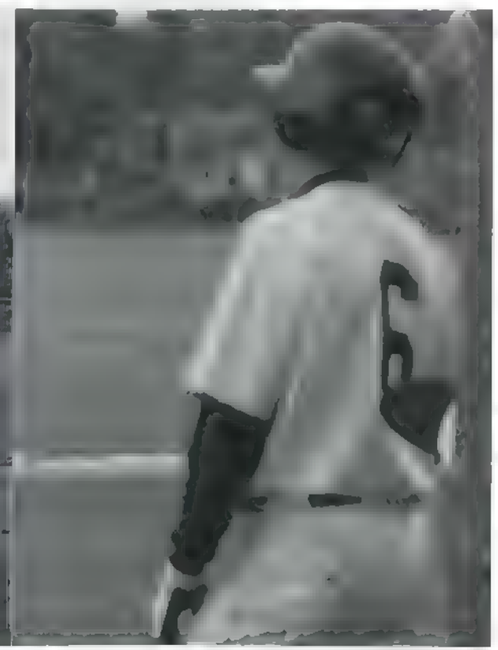
by Steve Whitton

For the first time in five years our Varsity boys baseball team missed the playoffs, but only by a single game. There were a few reasons for this; the main one, pointed out by Coach Lee, was, "The season started poorly, but we ended with a bang!" Our record in Valley League games started at one win and five losses, but after that we picked up the pace to finish the second half with nine wins in Valley League games and only three losses. Overall for the season we were 14-9, fifth place in the league. In league games they ended up at 10 and 8. The star pitcher this year was Ryan Penn, who came away with half of the team's wins this year. He was also among the hitting stars. Five of our players, four of whom are seniors, hit over a .350 average: Matt Scanlon, Erik Ammon, Ryan Penn, Tyler Stoltz, and Jed Lowrie.

A huge thanks goes out from the players to the volunteer assistant coaches Mike Godfrey and Bob Livingston.

Joe Wells, a a graduating senior (one of seven) said, "We could have done better in the first half. We did good through the second half, though. We accomplished a lot as a team.

Unfortunately, we are losing seven of this team to the big wide world beyond high school: Jed Lowrie, Tyler Stoltz, Ryan Penn, Matt Scanlon, Joe Wells, Brad White and Todd Maher. For of these seven hit over .350 this year. Clearly our team will miss their presence next year.



Another Team, Another Win

J.V. BASEBALL

With all the attention paid to the varsity baseball team, very little has come out about our JV baseball team, which had a great season, only losing twice and even avenging one of those losses to Sprague.

"Our biggest improvement this season has had to be our hitting. We've even ten-runned a couple of teams," said JV Coach Larry Keeker. "I always thought we'd have great pitching, and we have. Throughout the season the team has shown great improvement on the field. Many of the players worked very.hard.

Varsity Softball

A year of team work, dedication, and a lot of fun!

The Varsity Softball team this year had nothing but good reviews from everyone. Both coaches,Ty Nicholson and Ken Slack, speak highly of the team consisting of three seniors, five juniors, three sophomore, and one freshman.

When Mr. Nicholson was asked about the star players of the season, he replied, "We really didn't have individual star players, on any given day someone could step up and be the star."

While Mr. Slack replied, "Any good team does not have just one star player."

Mr. Slack said this about the highlights if the season, "It has been a learning experience and fun."

Mr. Nicholson said one of the highlights was "scoring two runs in the bottom of the 7th with two out to McNary." He also said the most memorable moment was "taking the whole team to see the movie 'The Rookie'."

When asked about what they most want the team to remember most about this year was, "They worked hard and gave 100% on the field. Take the lessons learned, good and bad, and learn form them in the future."

Mr. Slack replied, "You don't have to be a winner on the score board to be a winner."And for the graduating girls, he would like to say, "First, I would thank them. Second, continue being good people. Third, There is always another day. And fourth, keep hope in your heart, faith in yourself, and a smile on your face."

Simply TheBest

This year, track had an amazing turn-out. Either running, jumping, or throwing, tons of students participated. If you ever had the lucky chance of attending any of the track meets you would see family and friends cheering on the track particpants. Sophomore Dani Fast said, "Our theme in track this year was Simply The Best and well... It is true." They really did live up to the expectations.

"You play how you practice, so practice hard, and run with D.I.Y.A (Determination Inspiration Youth and Agility) all the time," says Sophomore Earl Brown.

The athletes thought highly of the season and so did the coaches. "It is exciting to see the athletes working hard and you can tell it pays off. It is also exciting to watch the athletes constantly improving," says coach Steve Ball. This year's track team had a lot of heart and determination. Hopefully next year will be just the same if not better.

Up and Coming
J.V. AND FROSH SOFTBALL

By Amanda Berry

Two teams, two great seasons, I'm talking about freshman and J.V. softball. Softball was lead by coaches Bev Pratt (freshman) and Brent Charles (J.V). Both coaches agree that they had a great season. I interviewed both coaches and got the behind the scenes of the season.

We will start with coach Charles and his girls. They were 7 in 5 in league and 8 in 5 overall; this was possible because the girls worked together as a team and every game someone new seemed to step up and play great. The hardest challenge they faced was being consistent. Coach Charles says that the most challenging teams they played was Sprague, McNary, and South, but the most challenging team is ourselves. The coach is very proud of his team for sticking together and working hard each game. He was quoted saying, "My team is a great group of girls to work with." He then added that "They progressed well and had fun learning the game.

Now let's see what Coach Pratt had to say about her team. The freshman girls had 8 wins and 6 losses. They also showed a ton of team work and dedication to there school. Next year they plan to be twice as good coach Pratt says "Watch out for this team. Their hardest challenge as a team is diving for balls." The most challenging team is South Salem. The teams funniest horror story is when Laurel and Jordan blocked the base with their body to get them out. The girls stealing were flopping around like fish. The best moment of the season was when they beat Sprague at their home field 5-3! Coach is quoted saying "There are no mistakes, there are no failures, there are lessons and lessons will be repeated". Here is the line up for the freshman team #2 Jordan Herrmann,

#15-Tabrina Perez, #8- Anelia Haskie, #3- Ashlynn Northrup, #13-Lynn Titus, #11-stephani Niswonger, #9-Audrey Eiffler, #10 Laurel Allen, #5-Blair Calderwood, #1-Tarina Weathers, #7-Chelse Mattson, and #4-Kristin Bruke. You all did great! The J.V team was made up of the following players.#12 freshman Michelle Watkins, #10 junior Kasey Stombaugh,, #11 freshman Megan Snively , #2 sophomore Lucy walsh, #5 junior Kory Will #15 sophomore Annie Rust, #15 junior Sarah Anderson , #6 sophomore Jessica Ubay, #13 sophomore Jessica Cottrell, #1 sophomore Rachel Sullivan,#7 sophomore Alyssa Black, #8 sophomore Kristy Dillender. A great big Good job to all the players, you did a great job this year hope you can keep up the good work and good lck next year.

On the court, in the sun!
NORTH SALEM TENNIS

The tennis team had a better-than-expected year, with ten wins and zero losses. Patrick Wilhelm and Tyler Hollingsworth led the team on its successes. Todd Smith, the varsity coach, was very happy with the team, "The character and commitment of this team has been outstanding; I am talking about individuals who are winners in life, not just on the court."

Both Sprague and South Salem gave the Vikings a run for their money, forcing the matches into a draw. Equality among the match-ups proved to be a difficult problem, and created some difficulties for players. Perhaps the greatest moment for the team was concluding their se undefeated.
